

BOARD MEMBER GIVING POLICY OF KIPP: CHARLOTTE

Each member of the Board of Directors for KIPP: Charlotte is asked to invest time and resources to contribute to the school's success. As part of the Board Commitment to Excellence, each member agrees to make an annual financial contribution to KIPP: Charlotte to the best of his or her personal ability. Each member also agrees to commit time and effort to build the financial resources of the school through the solicitation of other individuals and organizations.

This pledge form will be handed out as part of the annual budget process, but no later than the annual meeting when elections are held, to facilitate this commitment. Signed pledge forms should be returned to the Board Chair as confidential information. The Development Director will follow up with each board member individually to transact contributions. Flexibility should be allowed to pay pledges including by check or credit card, monthly or quarterly, or other options as preferred by the individual board member. A report on board member contributions as an aggregate amount and number of individual board members who contributed should be made quarterly by the Board Chair.

This policy is effective June 1, 2009.
